DISCLAIMER

211EOK and TAUW disclaim any and all responsibility and liability that may be asserted or claimed resulting from or arising out of reliance upon the information and procedures presented in the resource database.

Inclusion in the 211 Eastern Oklahoma resource database does not constitute an endorsement and omission does not imply disapproval.

211EOK makes every effort to maintain an accurate resource database. Consent for inclusion in the database and verification of agency information is routinely obtained prior to entering information in our resource database. However, the 211 Eastern Oklahoma resource database may also include information obtained from publicly available sources such as agency websites, agency-generated publications, social media or telephone directories.

211 Eastern Oklahoma reserves the right to place an upper limit on database entries, based on the number of agencies which can reasonably be updated for accuracy in a year. The agencies (in the database and those waiting to be outreached) are prioritized based on several criteria including nature of services, record of usage and availability of the information from other sources.

QUALITY ASSURANCE

To ensure that the 211 Eastern Oklahoma resource database is meeting the changing needs of the community, the Eligibility Policy will be reviewed annually as part of the 211 Eastern Oklahoma annual evaluation and planning process and will be updated as needed.
